Principal's Message

Happy June, everyone! With only a month left in the school year, I'm reflecting on my first year in the office. I have valued parent, student, and staff feedback on what the school is doing well, and areas where we can continue to improve. In order to serve the student population of Myrnam and the surrounding area effectively, constructive feedback is a cornerstone to growth. Parent council meetings have been a convenient place for parents to express their concerns and hear about what is going on in the school. Please know, that this is not the only time I want to hear parent voices. Please call the school or email me at any time. I look forward to working with parents and the community.

The NMS and MOHC graduation ceremonies were held the last week of May. It was a beautiful ceremony. Thank you to Ms. Morrison and Mrs. Ostropolski for being our grad coordinators and working with graduates and parents. Thank you as well to Mrs. Jan Rajoo and Mr. Keith Gamblin for attending on behalf of St. Paul Education, Mrs. Donna Rudolf from the Village of Myrnam, and Mr. Don Gulayec from the County of Two Hills. We are so grateful for the continued support of St. Paul Education and the village and county. Thank you to the parents who spent so much time and energy ensuring the school and hall were decorated beautifully. This year's grade 12 class has experienced a lot of change throughout their school years and have come out the other side more resilient and ready for the world than they would have been without that stress. I am so proud of their accomplishments and excited to see where their next steps take them. I hope they all come back to visit in the future so we can check in.

Every month of my newsletter messages, I think I could start it with, "This is a busy month." June is no different. Please see the newsletter for the exam schedule and know when your student needs to be at the school for exams. All exams begin at 9:00 a.m. After writing exams, high school students will be permitted to leave the school after they sign out without parent phone calls. Junior high students leaving the building after exams will be asked to have parents call or text the school to inform the office. Students who want to stay at the school to study for the afternoon will be assigned to a study hall with a designated teacher supervisor who can help the students study and prepare for upcoming exams.

Along with exams, students are wrapping up projects and courses. Our horticulture class is ending their semester with a greenhouse vegetable sale on Thursday, June 1 from 4:00 - 7:00 p.m. They will also be taking their Green Certificate test for Greenhouse through Lakeland College on Monday, June 5. Good luck!

Our track season is wrapping up with junior high SPAA and high school provincials. Congratulations to Ava Machney who is representing NMS in Edmonton on June 2 and 3 in the 4 x 1 relay. Good luck, Ava!

Field trips are happening for all students from grade 1-12. There is also the Emerald Awards show on Wednesday, June 7, Colour Night to celebrate our athletes on Wednesday, June 14, Indigenous People's Day on Wednesday, June 21, Kindergarten Graduation on Thursday, June 22, and elementary awards on the last day of classes, Tuesday, June 27. It's a lot to keep track of! Make sure to check our Facebook page for pictures and updates on all of these events and more announcements.

JUNE Exam Schedule

MY MISSION IN LIFE IS NOT MERELY TO SURVIVE, BUT TO THRIVE;
AND TO DO SO WITH SOME PASSION, SOME COMPASSION, SOME HUMOR, AND SOME STYLE.

GRAD

Learning and Fun in Kindergarten

Watch me Grow!

May was a month full of activity for our kindergarten class! We planted seeds, painted fork tulips, played with clay, danced to the Wiggles and learned all kinds of new skills. What a wonderful May!

Sewing Crash Course

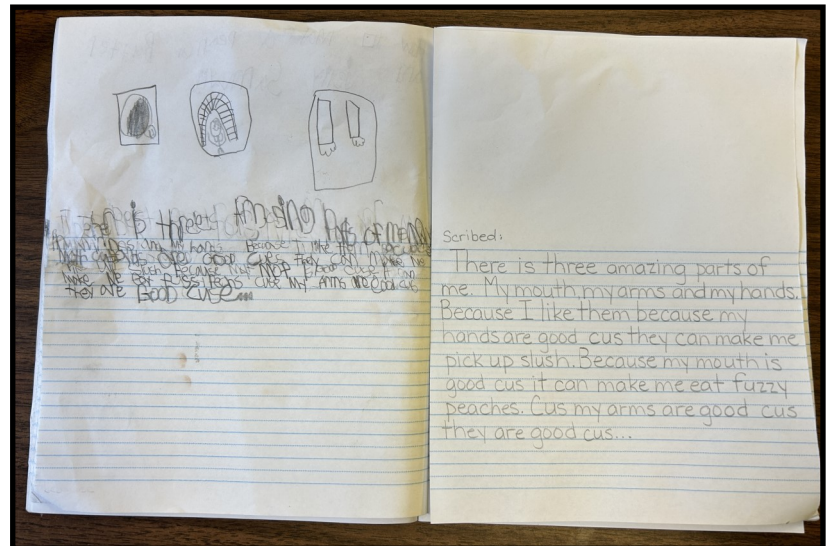

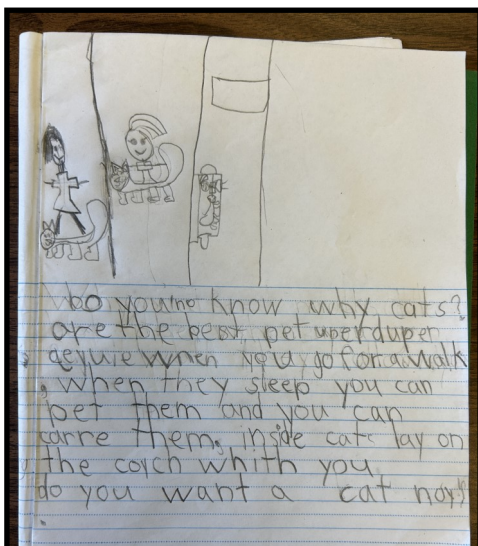

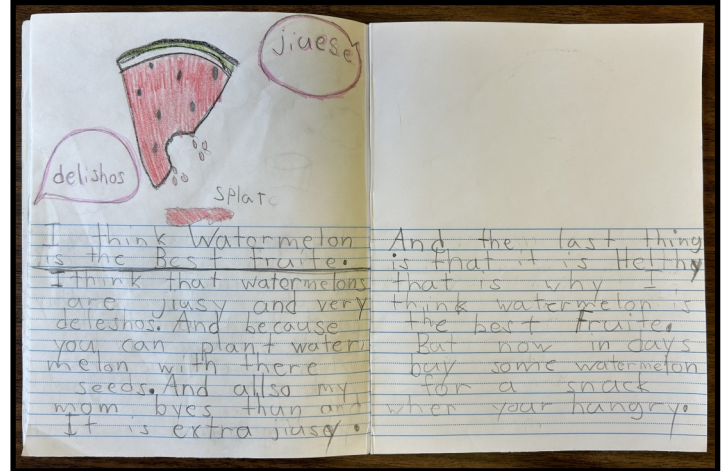

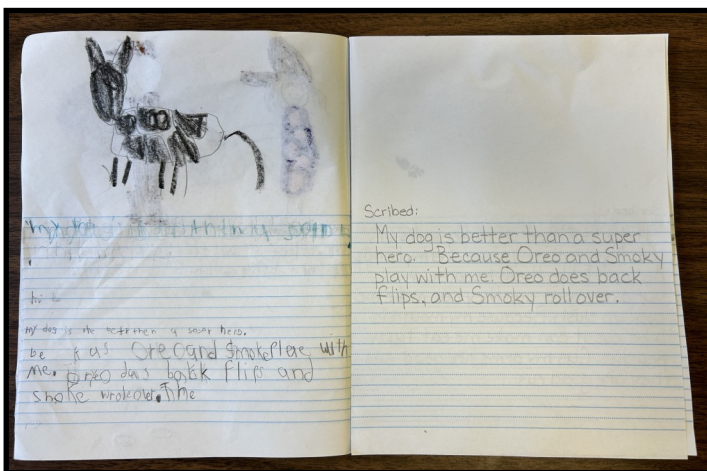

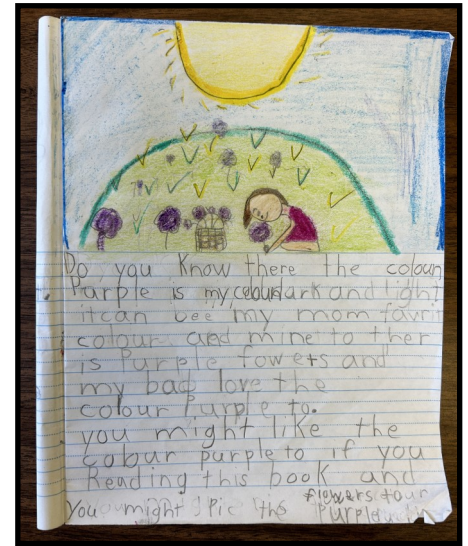

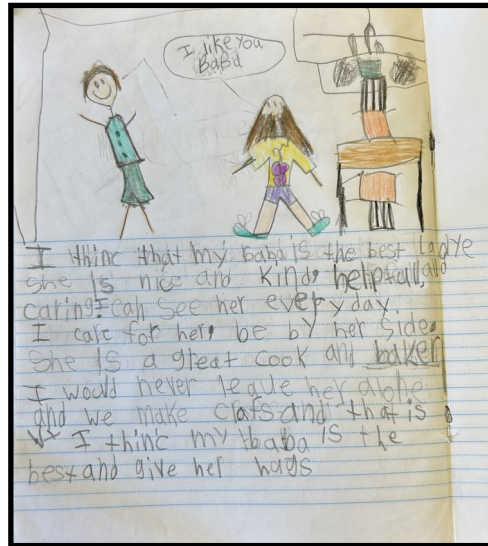

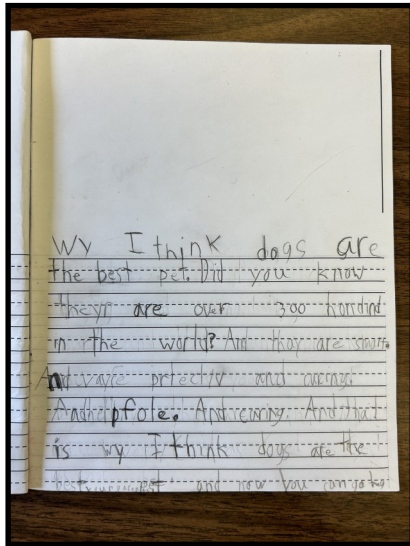

What a great two days. High school students from NMS and MOHC participated in sewing basics crash course. Thank you Mrs. Mandrusiak and Mrs. Chomlack! You are spectacular leaders. They took this on above and beyond their regular responsibilities at the school and the students are grateful. They learned some important hands on skills.

Our Opinions in Writing

Grade 1/2

During the month of May, the grade one and two students have been working on writing "opinion" stories. In these stories, they begin by stating their opinion about something. Then, they list their reasons, as many as they can think of, to support their opinion. In the end, the students learned to re-state their opinion, and invite the reader to do something in response. There are some fantastic opinion stories being written in our class, and we would like to share some of them with you! Well done, writers!!!

Grade 3/4 Class Beautifies Our School

Mrs. Saruk's grade 3/4 class is learning about plants in science. What do they need to grow? How do you care for them? They took their learning outside to beautify the front of our school.

NMS GREENHOUSE

June 1st **SALE** 4PM-7PM

The Horticulture program has been working hard this year to grow plants to sell to you!

- Poppies, morning glories, bluebells
- Tomatoes, cucumbers, peppers
- Cabbage, cauliflower, broccoli
- And much more!!!

Library News

WHAT A YEAR!!

I am so pleased to say what a fabulous year it has been. We've accomplished so much this year and have a lot more to do before the school year is completed.

ECS - Grade 4 students have planted some seeds and have been watching them grow so they can discover the life cycle of a flower and a vegetable. We will continue to do this for a couple more weeks before we send their plants home with them to plant in their own gardens.

ECS will be doing some fun reading, crafts and other activities as the year winds down.

Grade 1/2 have mastered logging into accelerated reader and taking the AR quizzes. They are busy reading to earn prizes that will be awarded to them on June 20th

Grades 3 - 6 continue to work on their AR goals which ends June 16. I'm pleased to say that many of them have already met their goal and are now working on various apps that are free with their library cards.

So far this year **1,353** AR quizzes have been taken, **1,331** were **85% or higher** and **14,005,931** words have been read. Such beautiful numbers!!!

Free comic book day was held on May 9th with almost 200 free comic books were given out to students and patrons of the Myrnam Community Library. This event is attracting more people every year. I love that people are coming into the library for more than just books.

This month I'd like to focus on **Cypress Resume** free with your public library card!

The online resume builder creates a resume in a few easy steps. User profile recommended by Cypress Resume.

I am continually purchasing new books for library patrons to borrow. I have added some of these purchases to this newsletter, check out the Myrnam Community Library website for a more detailed list.

<https://www.myrnamlibrary.ab.ca/>

The Myrnam Community Library Patrons can order books through TracPac or to call me (780 366 3801) to request books. I will call once the books are in and have been processed. These books can be picked up Monday to Friday between 8:30 - 3:30 or on Tuesdays and Thursdays until 7:00pm. Or better yet come on down to the library and see what we have to offer! Please feel free to call me if you need more information or have any questions. If the doors are locked during my open hours please ring the bell so I can let you in. Hours during July and August will be different. Please see the summer hour calendar at the end of this newsletter.

SAVE THE DATES FOR THINGS HAPPENING IN THE LIBRARY

(check the website and social media sites for more details closer to the dates)

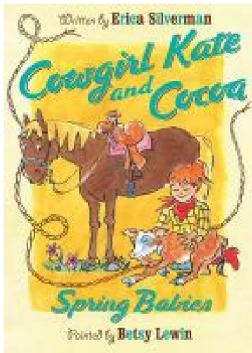

Myrnam Community Wide Garage Sale June 17

The Library will be participating in the Village wide garage sale. If you have anything you would like to donate to put into our sale please contact me at 780 366 3801 to arrange for pick up or drop off. All monies raised will go towards the reading programs. Stop by for lunch. Hot dogs, popcorn and drinks will be available for purchase.

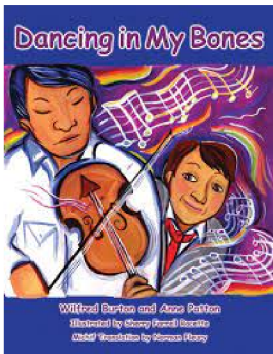

SUMMER READING PROGRAM

Calendar will be sent home later in the year.

NEW TO OUR LIBRARY

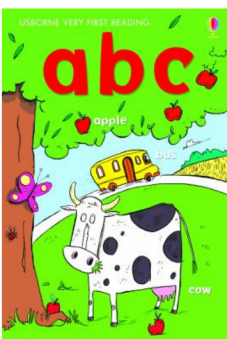

Baby animals are springing up on the ranch. Cowgirl Kate and Cocoa have a lot to do to help these new friends feel at home. But Cocoa's not sure he *wants* new friends, especially if they mean more work. With Cowgirl Kate's gentle nudging--and snacks!--Cocoa's happy to help out, and work is as fun as play.

Dancing in My Bones, the sequel to the highly successful book *Fiddle Dancer*, returns us to the story of a young Métis boy named Nolin as he continues to discover his Métis heritage. Lovingly written by Wilfred Burton and Anne Patton and vividly illustrated by Sherry Farrell Racette, *Dancing in My Bones* will take you on a journey to discover Moushoom's first moose hunt, red lipstick kisses, Uncle Bunny's fiddling, and the return of the "Bannock Jig." But most importantly, by the end of the story, you might feel like you have dancing in your bones! In addition to the story, the book contains a translation into Michif-Cree by Michif specialist Norman Fleury, as well as a CD with narrations in English by author

Wilfred Burton, and in Michif by translator Norman Fleury.

A new addition to the inspiring 'Very First Reading' series, specially developed for young children who are just beginning to learn to read.

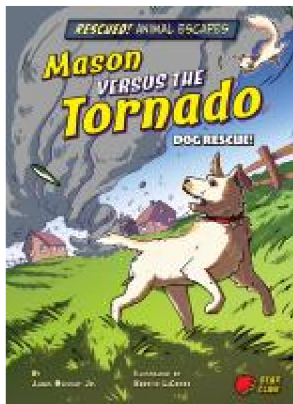

We've lost everything...and found ourselves.

Music brought Autumn, Shay, and Logan together. Death might pull them apart.

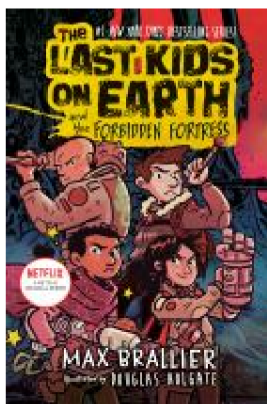

Autumn always knew exactly who she was- a talented artist and a loyal friend. Shay was defined by two things- her bond with her twin sister, Sasha, and her love of music. And Logan has always turned to writing love songs when his real love life was a little less than perfect.

But when tragedy strikes each of them, somehow music is no longer enough. Now Logan is a guy who can't stop watching vlogs of his dead ex-boyfriend. Shay is a music blogger who's struggling to keep it together. And Autumn has become a girl who sends messages that she knows can never be answered.

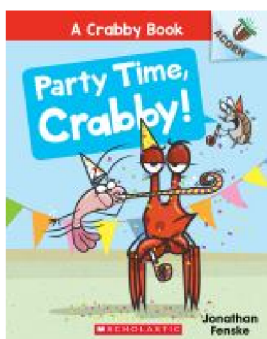

Each of them wonders- How different would my life be if this hadn't happened? And now that it has . . . what's next?

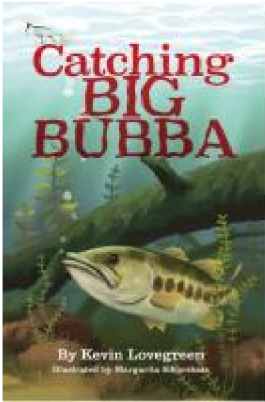

"When tornadoes tore through Alabama, they ripped the roofs off houses, tore apart trees, and sent debris flying miles away. They also picked up Mason, the dog and sent him sailing away from his home and owners. Mason's family searched desperately for their beloved pet, but he was nowhere to be seen. Find out about this brave dog's slow, crawling journey back home after a tornado in this graphic adventure of animal escape. Then, learn more about the heroes that saved other animals from terrifying tornadoes"

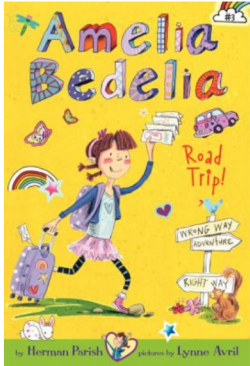

Picking up after Quint and Dirk's Hero Quest, the Last Kids are happily reunited--but quickly faced with a monstrous new mission. Inside an other-dimensional fortress, the evil Thrull, alongside a vile new villain, is carrying out a sinister plan. Jack, Quint, June and Dirk must make their own plans to infiltrate the stronghold before Thrull gets any closer to completing the mysterious Tower, a structure that could ultimately spell doom for this dimension.

Plankton wants to throw a party. Crabby hates parties. Plankton makes an invitation. Plankton gathers party supplies. Will Crabby ever want to party?

After a sudden change of plans, Luke and his sister, Crystal, find themselves on an unexpected adventure with their fun-loving cousins-right in their own neighborhood. So come join the fun as they do everything they can to catch Big Bubba, a legendary bass in their local lake!

Fun and fiascoes ensue when young Amelia Bedelia and her parents take a road trip through their state.

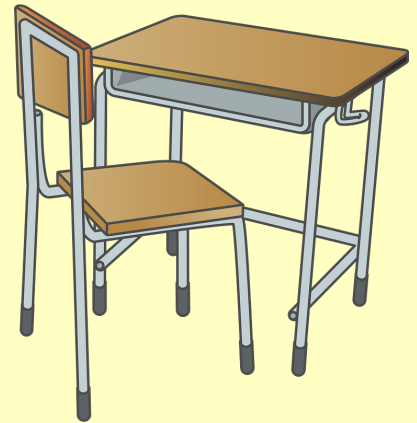

Sensitive, narrative text from illustrated animal characters shows readers what covert bullying is and provides possible solutions to stop it

Announcements

**Locker and Desk Clean Outs
will be happening this month.**

**If possible, please send
something for your child to
place their locker/desk contents
into.**

Concession Closes June 16

**Some ready made items may be available while
supplies last.**

Have a Fantastic Summer! See you in September!

HOW SICK IS TOO SICK FOR SCHOOL?

SEND TO SCHOOL

- A runny nose or just a little cough but no other symptoms.
- Sore throat but no other symptoms.
- No fever in the past 24 hours without fever-reducing medicine.
- No vomiting or diarrhea for 24 hours.

KEEP AT HOME

- Fever higher than 100.4 degrees F (38 degrees C).
- Sore throat, with other symptoms such as a persistent cough.
- Vomiting or diarrhea in the past 24 hours.
- Eyes are pink and crusty.
- Has been exposed to an illness where isolation is recommended.
