

Welcome Grade 10, 11 and 12 Students to the 2023-2024 School Year

Welcome high school students! Today is your day! You're off to great places, you're off and away! We are excited for the year ahead with our students and are anxiously awaiting your return on September 5.

High school teachers will provide course outlines in the first week of classes. These course outlines will specify materials required for each class. Almost all classes will utilize a school provided chromebook assigned to students on September 5. Students can bring their own devices if they have one available. Students who earned a free chromebook through the Digital Pioneers summer school course are welcome and encouraged to bring it daily. Below are some general materials you can have for the first week until you know the specific requirements for each class.

- Headphones/earbuds with a cord are strongly recommended. Bluetooth headphones can be problematic if students have to use a different device.
- 2" binder
- Loose Leaf paper
- Dividers
- Pencils
- Pens
- Highlighters
- TI 84 Calculator
- Clean pair of gym shoes and gym change
