PRINCIPAL'S MESSAGE

June. Here it is. We've come to the end of another terrific year for NMS and MOHC. My family farms south of Irma so my life growing up was dictated by farming seasons. There were times of the year when everything else was put on hold to ensure the field work was completed. Harvest is the most stressful as farmers get everything off the ground and in the bin. If you are a teacher, June is our harvest. As an administrator, it is the time when I support teachers, parents and students as they wrap up the learning for another year. Just like the grain farmers I grew up with, while wrapping up one season, we are also preparing for the next one. Mr. Tim Yackichuk will be coming to the school a few days in June to meet the students, staff and parents and work with me to prepare for September.

Ms. Lafortune has been away on maternity leave and is set to return by January 2026. Until she arrives, we are fortunate enough to welcome Mrs. Jamie Bachelet. She is a Myrnam resident who has transferred from École Elementaire St. Paul Elementary School. Students will be able to welcome her to our NMS/MOHC family in September.

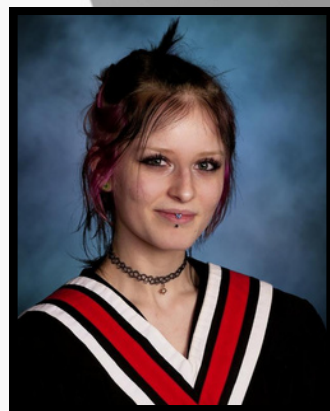

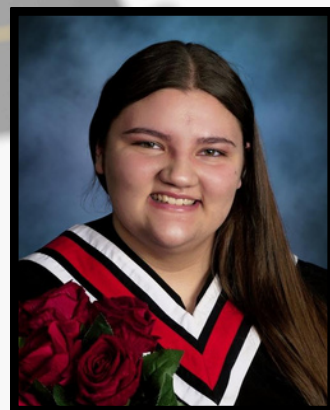

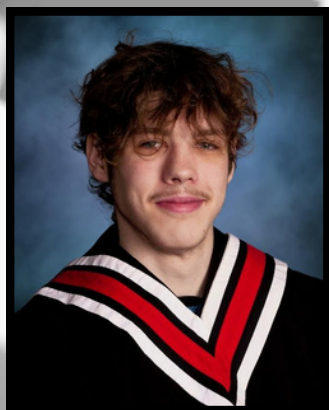

The NMS and MOHC graduation ceremonies were held May 24, 2025. It was a beautiful ceremony.

Thank you to Mrs. Wagner, Mrs. Crundwell, Ms. Morrison and Mrs. Ostropolski for being our grad coordinators and working with graduates and parents. Thank you as well to Mr. Keith Gamblin and Mrs. Jan Rajoo for attending on behalf of St. Paul Education, and Mr. Don Gulayec from the County of Two Hills. We are so grateful for the continued support of St. Paul Education and the county. We are so proud of the accomplishments of the graduates and are excited to see where their next steps take them. I hope they all come back to visit in the future so we can hear about their adventures.

Please take a look at the exam schedule posted in the newsletter, our website, and Facebook. June 13 is the last day of classes for grade 7-12 students. Exams begin at 9:00 a.m. When students are done writing their exams, they will be permitted to leave the building with parent permission. They are encouraged to remain at the school to utilize the study hall space. Teachers will be available to review with students. On non-exam days, students are still encouraged to come into the school so they can study for their next final exam, though attendance will not be taken. Grade 9 students who registered with Summer School can begin working on their Google Productivity Pro course the week of June 16-20 as well. All of our teachers are happy to help students study and prepare for final exams. Please reach out to classroom teachers if your student is having difficulty.

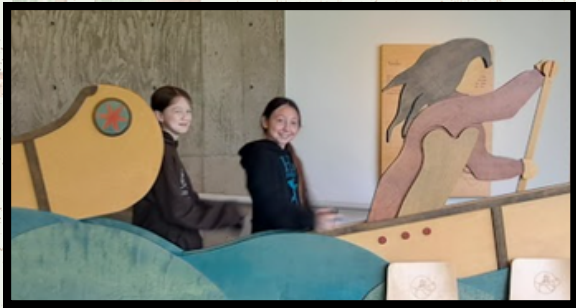

NMS/MOHC is a spectacular gem in rural Alberta. I am so proud to have been able to teach, lead, and grow in Myrnam since September 2015. The opportunity to lead the school community over the last three years has taught me so much and I am grateful for every single relationship with students, staff and parents. I wish everyone a wonderful June and a restful summer break.

GRAD 2025

FORT GEORGE AND BUCKINGHAM HOUSE

Another Successful Butterfly Season!

On May 29, the K-1-2 class participated in a butterfly release. We received Painted Lady caterpillars, and watched them each day in class. We saw them grow from tiny caterpillars, to big caterpillars, then watched as they each made a chrysalis, and then emerged as beautiful butterflies! We were sad to see them go, but we wish our beautiful butterflies good luck, and we hope to see them again when we go outside for recess!

SEMESTER 2 FINAL EXAM SCHEDULE

June 11

ELA 20 Part A

June 16

Chemistry 20, Science 24,
Science 20

Registration for 2025/2026

Re-enrollment for Current Students

2025-26 re-enrollment forms are now available through the Powerschool Parent Portal. Printable forms can be picked up at each of the schools upon request.

How Do I Access the Re-enrollment Forms?

- Go to powerschool.sperd.ca/public and log in. Note: The registration process is not available via Powerschool phone app. We recommend using a computer (desktop or laptop) to complete forms in School Engage. Forms can also be completed on a tablet, and we do not recommend using a smartphone to complete forms.
- Detailed instructions on how to access the re-enrollment forms are available [here](#).
- If you have forgotten your login information please contact the school or email thomdeni@sperd.ca.
-

Fill in only 1 registration per child.

- Note: The registration package has been separated into two sections. Parents will first complete the “2025/26 Re-enrollment Form” that has been assigned to their student. Upon submission of this form, the “2025/26 School Forms” will be assigned to the student. Please ensure both forms are submitted.

Registration for Current Students is Now Open for the 2025–26 School Year!

All current students must be registered to attend school in the 2025–26 school year. Re-enrollment forms are available through the PowerSchool Parent Portal.

To complete your child's registration:

1. Log in to your PowerSchool Parent Portal account
2. Click on the SchoolEngage icon in the left-hand menu
3. Complete the forms assigned to you for the 2025–26 school year

New Student Registration

St. Paul Education is pleased to welcome new students for the 2025–26 school year!

Registration is now open, and we encourage families to explore the many opportunities available in our schools.

To register a new student—or a child entering Kindergarten—for the current or upcoming school year, please contact the school directly.

School Bus Registration for 2025–26 Is Now Open!

St. Paul Education has made several changes to transportation eligibility and fees for the 2025–26 school year.

Learn more: <https://bit.ly/4lZBEom>

Families are encouraged to register by June 30 to help ensure route planning is completed in time and to access early registration rates.
