Principal's Message

Thank you to all parents who completed the AEA Survey in January/February. This information will help guide the discussion and work around our Education Plan for the 2024-2025 school year.

The 2024-2025 calendar has been approved by the board. It can be found on the St. Paul Education website and later in this newsletter. Please note some changes to days off for students, particularly around a new fall break in November.

Following in the footsteps of the grade 7/8 students earning free tickets to an Edmonton Oil Kings game in January, the grade 5/6 class also read all required minutes to put their class into a draw for free tickets. They were lucky winners and on March 2 had the opportunity to attend a game. Congratulations and great reading to Ms. Bennings class!

The lovely student pictured with me above is Cassie O'Reilly. Cassie (a grade 10 student) has wanted the school to host a dance for 2 years. With a date of March 22 set, I am hoping families are able to attend. Please RSVP with Cassie via email at oreicass@students.sperd.ca. NMS students and families will not be turned away, but guests from outside our school family need to ensure they RSVP and are on the guest list. Please remember this is intended to be a family event so parents please come in with your kids. There will be great music and a concession available for purchase of sweet treats. Thank you, Cassie, for doing the legwork to get this off the ground.

Do you want to keep up to date with what's going on at the school between newsletters? Check out our website at newmyrnameschool.ca. We update the main page regularly with upcoming events and opportunities for students and parents. Our Facebook page has a Week at a Glance pinned to the top of the page each week by the wonderful Ms. Neufeld to help keep your family in the loop of what's going on at the school. Also, find the school on Instagram where you'll see fun pictures and videos of our students engaging in their learning.

There is so much going on at the school and so many opportunities for students to be engaged in their learning. I want to take a moment to express how grateful I am to lead a team of exceptional teachers and support staff including educational assistants, a librarian, custodians, FSLW, bus drivers and office staff. Our team is strong and we are all moving forward together. Each individual working in the school has the student's best interests at the heart of all decisions and conversations. Thank you for your commitment to learning and growing alongside the students.

Concession Menu

Grilled Cheese (with Vegetables or Pickle) \$2.50

Crackers, Cheese, Sausage and Pickle Plate \$3.00

Mini Sub (Pizza or Hoagie) \$3.50

Pizza Pop \$1.00

Ritz \$1.00

Made Good Cookies \$0.75

Twizzlers \$3.00

Corn Nuts \$2.00

Gum \$1.00

Coding Continued - Grade 1/2

The grade ones and twos are expanding and developing their coding skills in science class. We learned how to use a coding robot named Botley, and how to program him to move in different directions and distances. After experimenting with him for a few classes, Mrs. G set up a challenge for the students; build a real-life maze in the classroom and program Botley to navigate through it! The students each took turns adding to his code, trying it out, and the next student would fix or change the code if he ran into a wall or turned the wrong direction. It took a lot of patience and a lot of work, but the students were able to complete the elaborate coding program all by themselves! Our second coding challenge was to get our Code-a-pillar from our classroom to the office or library. Students worked in teams, and each took a turn programming the Code-a-pillar to go as far as he could, then the next student in the group would program him to continue from there. The students were very excited when Code-a-Pillar made it to the library or to Mrs.T's office! He even had a little adventure trying to get around her office chair!!!

LIFT EACH OTHER UP

Barons Athletics - Curling

Senior High Curling

The NMS senior mixed curling team had a great showing at SPAA and Zones this year. The team, made up of skip - Caitlin Clyde, third - Noah Jacula, second - Cassie O'Reilly, lead - Trystn Sakowsky, and alternate - RaeBecca Pashulka. This team was coached by community member, Rick Mackenzie. Rick kept the team relaxed and focused through tough SPAA games vs. Regional High School and Two Hills School at the St. Paul Curling Club January 31 and February 1. In the end, they came away with second place, losing to Regional and beating out Two Hills. The top two teams in our mixed category advanced to zones hosted by Kitscoty High School at the Lloydminster Curling Club February 12 and 13. After two days of intense competition, Myrnam walked away with the silver medal, losing to Holy Rosary High School in the final. The highlight of the two days had to be the sheer number of triple take-outs successfully executed by third Noah Jacula. Check out one of those shots recorded and posted to our Instagram account. Congratulations to the team!

Junior High Curling

The NMS junior high curling team was composed of skip - Harper Matthews, third - Mason Phillips, second - Faith Cribb - Martinez, and lead - Briggs Matthews. Their coach was parent and community member, Jessica Clyde. This crew competed in SPAA at the St. Paul Curling Club January 31 and February 1. The team had a huge amount of growth from the first practice to competition. They learned delivery and sweeping skills, how to communicate between sweepers and the person in the house, and they learned how to pick themselves up after a bad end. They competed hard right until the end of each game. We are so proud of their performance and attitude. Great work, Barons!

NMS

SCHOOL COUNCIL

Summary

In the Media

The Alberta Emerald Award documentary and This is AMA video are live!

The school board approved the 2024-2025 school calendar.

Kindergarten registration will open soon for kids born in 2019. Are parents interested in full time kindergarten? Let us know by contacting the school.

Please complete the AEA survey mailed to parents in January. The survey is open until March 1.

NMS received the Doug Yeo Youth in Action Award.

Community Partners

Myrnam Play development is looking for a Level 3 Early Childhood Education individual to start up a day care run out of CTEC. Contact the school for details. Welcome to our newly formed Community Library board.

Investing in PBL

Due to the generous donations from community groups like the Myrnam Royal Purple and disbanded Elks, NMS has purchased a laser cutter from Thunder Laser Canada. This investment in project based programming at NMS will increase opportunities for students to build skills to make them competitive in the workforce.

VOLUNTEER SUMMIT

Learning for the Non-Profit

Saturday, April 13, 2024

9am - 4pm

Registration: 8:30am

Two Hills ALC will be partnering with Two Hills FCSS to run a one-day workshop on strengthening our volunteer community. The daily activities will be followed by the FCSS volunteer appreciation banquet.

Topics:

Board Masterclass

This session will delve into the essential pillars of effective board governance, understanding roles, responsibilities, fiduciary duties, and ethical decision making.

Volunteer Engagement

Learn creative strategies to attract a diverse and engaged volunteer base, recognition, retention strategies, learn about volunteer onboarding, training, and screening, ensuring your volunteers are well-equipped for impactful contributions.

Events & Fundraising

Unlock the secrets to successful event planning and fundraising, the workshop also provides practical insights into Logistics and Execution Excellence, incorporating new and creative methods for budgeting, resource allocation, and event promotion.

Grant Writing 101

This session will empower you with the essential skills to craft compelling grant proposals, crack the code of strong grant writing, and navigate the often-complex world of grant applications. Walk away armed with the tools and knowledge needed to secure grants and build lasting relationships with your grantors.

Drafting and Revising Bylaws

Uncover the mysteries of Bylaw writing; why they are needed and how to write bylaws that are meaningful to your organization.

Financial Management

In this session we will look at the power and importance of a Financial Report. What your responsibilities as a Board Member are when it comes to financial accountability, how to read Financial Statement & what to look for in your statements and how to ask questions about a statement.

HOW SICK IS TOO SICK FOR SCHOOL?

SEND TO SCHOOL

- A runny nose or just a little cough but no other symptoms.
- Sore throat but no other symptoms.
- No fever in the past 24 hours without fever-reducing medicine.
- No vomiting or diarrhea for 24 hours.

KEEP AT HOME

- Fever higher than 100.4 degrees F (38 degrees C).
- Sore throat, with other symptoms such as a persistent cough.
- Vomiting or diarrhea in the past 24 hours.
- Eyes are pink and crusty.
- Has been exposed to an illness where isolation is recommended.

SchoolMessenger Mass Notifications System

Information for Parents

What is SchoolMessenger?

SchoolMessenger is a mass notification system used to deliver information to families. These mass notifications are referred to as 'Broadcasts' due to SchoolMessenger's capability to simultaneously send messages to a vast number of destinations. Available broadcast destinations include phone, email, and SMS text.

Message recipients' contact data for parents comes from the PowerSchool Student Information System (SIS) database. This data is updated every evening so that any changes to phone numbers, emails and contact preferences will be current on every broadcast.

During phase one of implementation, the Division will begin using SchoolMessenger to communicate information to parents and guardians about safety alerts and school closures. Schools may also use this tool to share newsletters and information about special events and activities. Phase two, which includes activating the attendance reporting feature 'Safe Arrival', is expected to begin in early 2024.

Phone Messages

- Phone calls will be reserved for emergencies such as safety alerts or early dismissal due to inclement weather.
- Phone calls will be sent as an automated message (computerized or human voice) and will come from the school phone number.
- In addition to a phone call, text and email messages will also be sent in emergency situations.

Email Messages

- School newsletters and information about fundraising, hot lunch programs and other school activities will be shared via email.

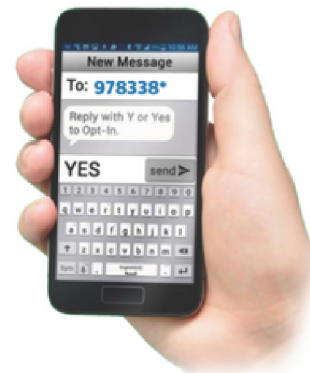

Text Messages

- In addition to being used for emergencies, your school may also use text messages to communicate important information regarding sports and other after-school activities, field trip delays, etc.
- Under federal law originally designed to protect consumers from telemarketers, we have to get your permission to send messages to a mobile phone by SMS text. It is also just a good idea so that we're sure that message is going to the right phone number for the right person. Therefore, to receive texts you will need to opt-in.
- On **October 18, 2023** an opt-in invitation text to participate in this free service* will be sent to mobile phone numbers of all primary contacts uploaded from our Student Information System (SIS). Recipients have to reply 'Y' or 'Yes' to the invitation text message to 'opt-in'.

Additional Information

- Existing school-to-home communication tools currently used by classroom teachers (e.g. Seesaw, ClassDojo) may still be utilized.
- Schools will have flexibility in how they use SchoolMessenger. Stay tuned to your schools website and social media to learn more about how this new tool will be used at your child's school.
- All messages can also be viewed on the SchoolMessenger app. Parents are not required to download the app at this time, however, the Division will be asking all families to download the app when we move forward with the SchoolMessenger attendance reporting feature 'Safe Arrival'.
- Parents have the option to request that additional contacts, such as a child care provider, receive text and email messages from their child's school. Please call the school to make this request or if you have any questions about SchoolMessenger.

- If you did not receive the invitation text message or want to ensure you are registered, you can simply send a text message as follows:

To Opt-In: Text 'Y' or 'Yes' to our short code number (978338)

**Standard Message and Data rates apply*

- You can also opt out of these messages any time by simply replying to one of our messages with '**Stop**'.

BUS STATUS

A product of  rally

St. Paul Education

St. Paul Education is pleased to offer a new bus notification system commencing in the 2023-24 school year!

Download the Bus Status 4 App and choose your preferences to stay updated.
